The truth of the last 10 days of the Messiah, Yahushua.

Can we know it?
1. When did the Messiah arrive in Bethany
2. When did the Messiah enter Jerusalem
3. What day of the week did the Messiah die
4. What day of the week was the resurrection
5. How long was the Messiah in the Tomb
With the help of this biblical slide-rule, we can learn the answers that have eluded many.
A BIBLICAL SLIDE-RULE

The truth of the last 10 days of the Messiah, Yahushua.

Part 1 - The Prophesies
Luke 19:28  And having said this, He went on ahead, **going up to Yerushalayim**.

John 11:18  Now **Bēyth Anyah** was near Yerushalayim, **about three kilometres away**.
Yericho to the Resurrection

Yericho to Jerusalem:
- ≈13 MI 3000 FT
Accordingly, Yahushua, six days before the Passover came to Bethany...

where El‘azar was, who had died, whom He raised from the dead.
• **John 12:2** There they made him a *supper feast*; and Martha served...

• **John 12:9** Then a great crowd of the Jews *learned* that He was there. *And they came...*
Yericho to the Resurrection

City of David

BET PAIGE

BET ANYAH

2017-11-08
1. Deu 16:1 “Guard the month of Aviv, and perform the Passover to YHWH your Elohim

2. Exo 12:2 “This month is the beginning of months for you, it is the first month of the year.

3. Lev 23:5 ‘In the first month, on the fourteenth day of the month, between the evenings, is the Passover to YHWH
"He has risen, just as he said."

Matt. 28:6
Just what did Yahushua say, what did He prophecy, regarding His death and resurrection?

We will need to determine just what He meant by the word, ‘DAY’. This study will reveal that He meant:

1. A DAY could be a 24 hour time period with the start point at sunset [Lev 23:32]. i.e. a biblical calendar day. ‘Today’ & ‘tomorrow’ are biblical calendar days. [Exodus 19:10-17]
   
   a) Using the inclusive counting method, 3 biblical calendar days could be from as little as 26 hours to as much as 72 hours.

2. A DAY could be a 24 hour time period with the start point anywhere within a calendar day; e.g. from 3pm one calendar day to 3pm the next calendar day.
**THE PROPHECIES**

• **Luke 24:46**  Prophetic time limit = 72 hours

  Yahushua said, ‘...it was necessary for the Messiah to **suffer** and to **rise again** from the dead the **third day**,...  [Luke 22:63-66]

• Prophetic start time = Aviv 14 at ≈ 5 a.m.

• Prophetic end time = Aviv 17 at ≈ 5 a.m.
Luke 24:07  Prophetic time limit = 72 hours

Yahushua said, ‘The Son of Aḏam has to be delivered into the hands of sinners, and be impaled, and the third day rise again.’

Mark 15:25  And it was the third hour [9am], and they impaled Him.

Prophetic start time = Aviv 14 at 9 a.m.
Prophetic end time = Aviv 17 at 9 a.m.

(At Passover - The scriptural 3rd hour is approximately 9:00 a.m.)
• **Matthew 16:21** Prophetic time limit = 72 hours

From that time *Yahushua* began to show to His taught ones that it was necessary for Him to go to Yerushalayim... and *be killed*, and to be *raised* again the third day. [Mat 27:46-50]

• **Prophetic start time** = Aviv 14 at 3 p.m.
• **Prophetic end time** = Aviv 17 at 3 p.m.

(At Passover - The scriptural 9th hour is approximately 3:00 p.m.)
THE PROPHECIES

Matthew 12:40

Prophetic time limit = 72 hours

“For as Yonah was three days and three nights in the stomach of the great fish, so shall the Son of Aḏam be three days and three nights in the heart of the earth”.

2017-11-08
THE PROPHECIES

• It can be shown that Mat 12:40’s 3 days and 3 nights requires at least: [see Strong’s G2250]
  1. 2 full daylight periods + part of a 3rd, and at least
  2. 2 full nighttime periods + part of a 3rd.

• Mat 12:40’s resurrection time cannot occur beyond the prophetic time limit of Luke 24:46.
Strong's G2250 - DAY [hemera]

The time space between dawn and dark, or the whole 24 hours but several days were usually reckoned by the Jews Scriptures as inclusive of the PARTS of both extremes.

See Exodus 19:10-16
THE PROPHECIES

• **Mark 8:31** And He began to teach them that the Son of Adām has to suffer much... and be killed, and **after** three days to rise again.

• **Day 1** of the **3** would be the day He died... **Aviv 14** [inclusive counting] **Day 3=Aviv 16**

• The resurrection could **NOT** have occurred **BEFORE** SUNSET **Aviv 16**
72 HOURS IN THE GRAVE ??

- **Luke 24:7** saying, ‘The Son of Aḏam has to be delivered into the hands of sinners, and be **impaled**, and **the third day** rise again.’”
- **Mark 15:25** And it was the **third hour**, and they **impaled** Him.
Mark 9:31 for He was teaching His taught ones and said to them, “The Son of Aḏām is being delivered into the hands of men, and they shall kill Him. And having been killed, He shall rise the third day.”

Mark 15:34-37 And at the ninth hour... Y’shua cried out with a loud voice, and breathed His last.

72 HOURS IN THE GRAVE ??

- **START**
- **9TH HOUR**
- **KILLED**
- **BURIED**
- **LESS THAN 72 HOURS (72-X)**
- **TIME LIMIT**
- **1ST 24 HOURS**
- **2ND 24 HOURS**
- **THE THIRD DAY**
- **24 HOURS**
- **48 HOURS**
- **72 HOURS**
- **9TH HOUR**
THE PROPHECIES

• If Yahushua’s burial **8 hours after** His impalement occurred at say, 5 pm, Aviv 14, and If, Yahushua’s resurrection at the **72 hour prophetic time limit** of Luke 24:46 occurred at say, 5 am, Aviv 17, then Yahushua’s **Maximum** time in the tomb would have been about **60 hours**. [Av 14= 1 hr + Av 15/16= 48 hrs + Av 17= 11 hrs]

• Mark 8:31 demands a resurrection **AFTER sunset, Aviv 16**. If His resurrection occurred **1 hour AFTER sunset, Aviv 16**, then His:

• **Minimum** time in the tomb would have been about **50 hours**

Matthew 12:40’s **DAY 1** must be the short period of time on **Aviv 14** between **burial & sunset**. His resurrection in the **daylight period** of **Aviv 17** is ruled out by the **72 hour time limit** of **Luke 24:46**.
In the charts that follow, colored bars represent each prophecy’s hour length:

- Mat 12:40...... a brown bar of 63 hours
- Mark 8:31....... a red bar of 72 hours
- Luke 24:46....... a green bar of 72 hours
- Luke 24:07....... a green bar of 72 hours
- Mat 16:21....... a green bar of 72 hours
Prophetic calendar days or 24 hour time periods or both?

<table>

Above, the RED & GREEN bars represent 72 hours from sunset, Aviv 13; THREE CALENDAR days. The 3RD CALENDAR DAY of the GREEN bars does NOT satisfy the, AFTER 3 DAYS of the RED bar.

Below, the RED & GREEN bars represent 72 hours from the time of the event of the prophecy. The 72 hour time limit of the GREEN bars still does NOT satisfy the, AFTER 3 DAYS of the RED bar.
Prophetic calendar days or 24 hour time periods or both?

Mark 8:31  The SON of MAN... has to be KILLED, & AFTER 3 DAYS RISE again. [Mt 17:1, Mk 9:2, Lk 9:28]
Matt 16:21  Y’SHUA began to show.. that He had to be KILLED and to be RAISED again THE THIRD DAY.

QUESTION: How can a resurrection on THE THIRD DAY be AFTER THREE days?
ANSWER: Only when different methods of counting DAYS [24 hours] are utilised.
1. YHWH’s calendar days [24 hours] begin and end at sunset
2. A time period of 24 hour day EQUIVALENTS can begin at anytime of the day.

Above, an Aviv 17 resurrection occurs AFTER the 3 CALENDAR days of METHOD 1
Above, an Aviv 17 resurrection occurs IN the 3rd 24 HOUR period of METHOD 2
Prophetic calendar days or 24 hour time periods or both?

**Matt 12:40** The SON of ADAM shall be THREE DAYS and THREE NIGHTS in the heart of the earth.

**Mark 8:31** The SON of MAN has to be KILLED, and AFTER 3 DAYS RISE again.

**Luke 24:46** The Messiah has to SUFFER and RISE AGAIN from the dead THE THIRD DAY.

**Luke 24:07** The SON of ADAM has to be IMPALED and THE THIRD DAY RISE again.

**Matt 16:21** Y’SHUA began to show He had to be KILLED and be RAISED again THE THIRD DAY.

ONLY NOW CAN THE 3 DAYS AND 3 NIGHTS OF Matthew 12:40 BE DETERMINED

Both CALENDAR days & 24 hour TIME PERIODS are required to REVEAL the solution

An Aviv 17 resurrection had to occur AFTER the 3 CALENDAR days of Mark 8:31
An Aviv 17 resurrection had to occur IN the 3rd 24 hr PERIOD of the GREEN BARS
An Aviv 17 DAYLIGHT resurrection is ruled out by the TIME LIMIT of the top GREEN BAR
Y’shua’s resurrection must have occurred during the NIGHT of Aviv 17 [Mat 28:13]
The truth of the last 10 days of the Messiah, Yahushua.

Part 2 - The Scenarios
1. When did the Messiah arrive in Bethany

2. When did the Messiah enter Jerusalem

3. What day of the week did the Messiah die

4. What day of the week was the resurrection

5. How long was the Messiah in the Tomb

2017-11-08
The truth of the last 10 days of the Messiah, Yahushua.

Part 3 - The Conclusions
1. When did the Messiah arrive in Bethany
2. When did the Messiah enter Jerusalem
3. What day of the week did the Messiah die
4. What day of the week was the resurrection
5. How long was the Messiah in the Tomb
1. Yahushua arrived in Bethany Aviv 10 [Sun]. His anointing by Miryam likely represented Yahweh’s selection of His Passover Lamb.

2. He entered Yerusalem Aviv 11, 2nd day [Mon]

3. Yahushua died on Aviv 14, the 5th day [Thu]

4. He was resurrected Aviv 17, the 1st day [Sun]

5. Yahushua was in the tomb 50 to 60 hours

Exodus 19:10-16

Y'shua ASCENDS In Jerusalem ↑

**of the PARTS of both extremes**
• My Sabbaths you are to guard, by all means,

• for it is a sign between Me and you

• throughout your generations

Exodus 31:13
Yahushua was buried before the Aviv 15 High Sabbath [Luke 23:54]; a reasonable guess is, the 11th hour of Aviv 14 [5pm].

The women prepared spices & perfumes after the burial [Luke 23:56]. The Aviv 14/15 fire was cooking the lamb [Exo 12:16].

Following the 7th day Sabbath, just after sunset Aviv 16, the women bought additional spices to anoint Yahushua [Mk 16:1].

Toward dawn on the 1st day of the week [Sun] Aviv 17, the women arrived at the tomb and found it empty [Mat 28:1-6]. The earthquake of Vs.2 may have announced His resurrection in the same manner that an earthquake announced His death in Mat 27:50-54.
• The **short time** between Yahushua’s burial and sunset Aviv 14 qualifies as **DAY 1** of the **3 days and 3 nights** of Mat 12:40.

• Yahushua rose from the dead during the **dark hours** of Aviv 17, the **1st day of the week** [Sun], NOT on the **7th day Sabbath**. The time between **sunset Aviv 16** and His resurrection, qualifies as **NIGHT 3** of the **3 days and 3 nights** of Mat 12:40.

• The Greek, ‘**mia ton sabbaton**’ should be rendered, ‘**day one of the week**’ [Sun] as is commonly translated and NOT, ‘**first of the Sabbaths**’ of the count to Pentecost [Leviticus 23:15].
Yahushua arrived in Bethany Aviv 10. If there is any evidence of Yahweh selecting His Passover lamb, it was Miryam’s anointing of Yahushua for His burial with a costly perfume of nard [John 12:3].

It is quite possible Yahushua spent His last 7th day Sabbath in Yericho while staying at Zakkai’s house [Luke 19:5]. His hike to Bethany must have begun in Yericho early Sunday morning.

Yahushua entered Yerusalem on the colt of a donkey on Aviv 11 [Mon] NOT Aviv 10. If 250,000 lambs were selected in Bethlehem on Aviv 10, it is quite possible Yahushua, the Lamb of Elohim, arrived in Yerusalem on the same day as those lambs; on Aviv 11.
Because Day 5 of 6 of John 12:1 was Aviv 14, the word ‘Passover’ of Matthew 26:2, Mark 14:1, Luke 22:1, and John 12:1 must refer to the Festival of the Passover [Exodus 12:14, 34:25; John 13:1], when the Passover meal of lamb [Exodus 12:8] was eaten shortly after sunset Aviv 14, on the Festival day of Aviv 15, the 1st day of Unleavened, Day 6 of 6 of John 12:1.

Mark 14:1 Now [Aviv 13] the Passover and the Festival of Unleavened Bread [Aviv 15] was after two days.

Luke 22:1 And the Festival of Unleavened Bread [Aviv 15] drew near, which (now), is (also) called Passover.

John 13:1 And before the Festival of the Passover [Aviv 15],...

were usually reckoned by the Jews Scriptures as inclusive
THE CRUCIFIXION WEEK - CONCLUSIONS

- There was NO change made to the timing of the Exodus 12:8 meal by Jews as claimed by some sources. Yahushua observed the Jewish Passover because it was Yahweh’s Passover.

- Yahushua is our ‘Passover’ [1Corinthians 5:7]. He desired and still desires his disciples to feed on HIM, the ‘Passover’, the Word, symbolically, in the form of unleavened bread and fruit of the vine [John 6:48-58, Galatians 2:20, Colossians 3:16].

- During His last supper, Yahushua revealed a New Covenant directive on how to observe the annual Aviv 15 Passover meal; in the place where Yahweh puts name [Mt 18:20, Jn 4:23].
THE FESTIVALS OF PASSOVER & UNLEAVENED

BElOW: The Festival of the Passover OVERLAPS the Festival of Unleavened by 12 hours on Aviv 15 in the 1st month
The Festival of the Passover is NOT INTERCHANGEABLE with the Festival of Unleavened; they are SEPARATE festivals

NOTE: In Numbers 9:9-12, the Passover is performed but there is NO 7 day Festival of Unleavened in the 2nd month

Yahweh’s 1st month of the year is the month of THE AVIV Deu 16:1 Exo 12:2
Regarding Exodus... Chapter 12

1. Yahushua died at the 9th hour of Aviv 14, at the same time the priests began the slaughter of the Passover lambs [Exo 12:6]. Yahweh designed the 1st Passover in Egypt as a shadow of things to come [Colossians 2:17], knowing full well that Yahushua, hundreds of years later in 30 CE, would become the fulfilment of that shadow of Yahweh’s plan of salvation.

1. The Exodus 12:8 Passover meal was eaten on Aviv 15, the same night as the midnight deaths of the Egyptian first-born.
Regarding Exodus... Chapter 12

3. In verse 12, ‘that night’, refers to Aviv 15

4. In verse 13, ‘I shall pass over you’, refers to Aviv 15

5. In verse 14, ‘And this day’, refers to Aviv 15

6. In verse 17, ‘on this same day’, refers to Aviv 15

7. In verse 42, ‘night to be observed’, refers to Aviv 15

8. In verse 51, ‘on that same day’, refers to Aviv 15 [see Num 33:3]
Regarding Exodus... Chapter 12

9. Verse 21, ‘Passover’, is the name of the lamb killed on Aviv 14

10. Verse 35, ‘had done...had asked’, occurred before Aviv 14

11. Verse 36, ‘gave them what they asked’, occurred before Aviv 14

(Moses gave YHWH’s final warning to the Pharaoh on Aviv 14) 
[Exodus 11:4]
Regarding Exodus... Chapter 12

- **Aviv 14** is the day of the Passover slaughter [Lev 23:4, Exo 12:6]. A lamb called ‘Passover’ [1Cor 5:7] was killed that day. The name of the lamb, ‘Passover’, is used in John 18:28.

- Nowhere in the scriptures is **Aviv 14** called ‘Yom Pesach’ or ‘Passover Day’. Yahweh’s wrath did NOT pass over that day.

- **Aviv 14** was ‘The Preparation’ for **Aviv 15**. There is only one ‘Preparation Day’ a year and it is NOT the 6th day of the week.

Regarding Leviticus 23:11

1. Yahushua’s resurrection on Aviv 17, the 1st day of the week [Sun], confirms that Aviv 16 was/is NOT a repetitive annual date of the day of the first-fruits wave offering. Yahushua was the first-fruits of the resurrection [1 Corinthians 15:20]. The Sabbath of Leviticus 23:11 refers to the 7th day Sabbath.

2. If one could be positive about the death of Yahushua in the year 30 CE, as seems most certain, then the Thursday Passover day would establish that the crescent moon began/begins each lunar month of Yahweh.
In Summary

1. In the Old Testament, the word ‘Passover’ usually refers to the Aviv 14 Passover slaughter, the slaughter of the Passover lamb.

2. In the New Testament, the word ‘Passover’ usually refers to the Passover meal eaten on Aviv 15 shortly after sunset Aviv 14.
YAHUSHUA DID NOT DIE ON GOOD FRIDAY

If Friday was day 1 of the 3 days and 3 nights in the tomb, His resurrection would have been on the 2nd day of the week [Mon]. The women found the tomb EMPTY on the 1st day of the week [Sun].

WHY IS EASTER CELEBRATED INSTEAD OF PASSOVER?

WHAT ARE EASTER’S ORIGINS?
